TORNADO IN OMAHA KILLS HUNDREDS---FIRE FOLLOWS IN STORM PATH

Whirling Wind De- molishes Houses.

TAKES TERRIBLE TOLL.

Twister Rips Broad Path Through City's Best Home District.

Omaha, March 24.—The most appalling catastrophe in all Omaha's history befell the city just before sunset on a beautiful Easter day. A tornado swooped down on the city, coming from the southwest and tearing a path through to the north and east from two to three blocks wide and about four miles long.

This was through the best built residence section of the city, and hundreds of homes were smashed to powder or broken into bits by the terror of the air. Following the passage of the wind, almost as swiftly as thought, fire broke out, and in the twinkling of an eye almost, homes of happy, prosperous people were turned into piles of blazing debris, from which maimed and crippled victims of the storm god's wrath were dragged by rescuers. Other hundreds were taken out, dead.

It was some moments before the surviving could realize the nature of the terrible visitation, so quickly had it befallen. Those who were not caught in the course of the tornado, watched with fascinated gaze the passage of its destructive power, but even then seemed unable to grasp the fact that awful devastation rode with the wind. Firemen were first to realize the condition that existed, for calls from dozens of alarm boxes and from many surviving telephones came piling in in a confusion that was bewildering. But soon the department was set at its task, and the work of rescue was under way.

Damage Beyond Understanding.
As minutes wore into hours, the terror of the storm's work grew. Electric lights were out of commission, telephones in the stricken section were not working, streets were blocked by debris, and torrents of rain poured to obscure the search. Careful search was soon organized. The city police department was taxed to its utmost, and later the companies of the Nebraska national guard stationed in Omaha were called into service that aid might be given as quickly and as promptly as possible, and that whatever of order might be restored could be had.

So extensive and so complete is the wreck, and so difficult the task of getting the exact facts, that only guesses can be made as to the extent of the calamity. The loss of life will mount well into the hundreds; the number of injured will be still greater, while the property loss will be millions.

Work of Rescue.
Hundreds on hundreds of volunteers aided during the night in the search for the victims of the wreck; surgeons worked for hours at the hospitals, or in private homes where the injured were taken, giving attention to the sufferers. Through the dashing rain and in the mud and slush, the work of assistance was prosecuted. Families that escaped with their lives were taken into the homes of friends, or made their way down to the hotel district, there to seek shelter for the night. It was many hours before the homeless thousands were taken care of, even temporarily.

Heavy Loss of Life at 24th and Lake.
From 200 to 500 men, women and children in the vicinity of Twenty-fourth and Lake streets were killed, and an inestimable number of persons were injured by the devastating wind which was at its worst in that locality.

Street cars were blown from the tracks and demolished while loaded and on their way to and from town; two and four-story brick buildings, theaters and churches were razed, residences stacked on top and littered amongst each other, and telephone poles, trees and debris strewn along Twenty-fourth street and through the neighborhood from Decatur to Locust street.

At Locust street the wind seemed to have raised, according to persons living in the vicinity, and swirling high blew direct northeast to the Missouri river, scattering debris over the territory as it passed over.

At Grant street, Twenty-fourth street was blocked with the ruins north to Ohio street, and from these ruins firemen, soldiers from Fort Omaha and policemen, extricated the wounded and some of the dying, taking them to the

STORM DAMAGE HERE, TOO.

Many Barns, Sheds and Trees Blown Down Over the County—Other Damages.

The wind reached a velocity of fifty miles or more an hour in Maryville about 7:30 o'clock Sunday night, so it is estimated by Weather Observer Brink. It came abruptly and caused much uneasiness, but little damage was done.

An old barn of Mr. Lesley, in the southeast part of town, was blown down. Many limbs of trees were also torn off.

At Flag Springs, a little village in Andrew county, about thirteen miles southeast of Guilford, six houses were blown down, and three people were killed about two miles west of that town. They were Luther Armfield, his wife and child.

The residence of Cornelius Craig, living seven miles southwest of Maryville and one mile east of the Rockford church, suffered considerable injury. The porch and a part of the roof were taken off. The loss has not been estimated by Mr. Craig.

Other farms in the vicinity suffered the loss of blown down sheds and trees. Dillard Palmer's peach orchard was entirely ruined.

At Parnell the plate glass front at J. A. Kaufman's store was blown in and also the glass front in another building there.

There was considerable damage over the county, such as sheds, barns, trees and so forth being blown down.

Wabash train No. 14, due in Maryville Sunday night at 9:47 o'clock, did not arrive until 3 o'clock this Monday morning. The train was delayed at Malvern, Ia., where several trees were blown down over the track. At Shenandoah quite a storm took place and considerable damage was done.

Only a very little amount of damage was done by the wind at the Normal building. Three window glasses on the south of the building were broken in, but considering that there are 6,000 panes in the building, they got off very lucky; and there's no place anywhere around in this vicinity where the wind blows any harder than it does out on Normal hill.

Many of the telephone wires in the northwest part of the county are down and no communication can be had with several of the towns in that community.

CONGRESSMAN BOOHER HERE.

Was in Maryville Monday and Was Called On by Many Democrats.

Congressman Charles F. Booher of Savannah was in the city Monday afternoon and many Democrats seeking appointments and others called on him. Congressman Booher visited the new postoffice building and was much impressed with the beauty of the building. The credit for securing this building for Maryville is largely due to Congressman Booher's efforts.

DIED IN ST. JOSEPH.

Mrs. A. L. Duke, a Former Resident of Arkoe, Died Sunday Evening at 7:10 o'clock.

Mrs. Abraham L. Duke of St. Joseph, for several years a resident of Arkoe, died at her home in St. Joseph Sunday evening at 7:10 o'clock. Mrs. Duke was 45 years old.

The funeral arrangements have not been made. The burial will take place some time Tuesday in Miriam cemetery in Maryville.

Mrs. Duke's maiden name was Florence Allen. She was the daughter of Henry Allen, who lives with his son, Robert G. Allen of near Bedison. Mrs. Duke also is survived by her husband, a daughter, Miss Orrell Duke, and a niece, Neva Fawber, who she reared as her own child, and three sisters, Mrs. Lou Kirk of St. Joseph, Mrs. Edward Auffman of Beatrice, Neb., and Mrs. Elma Locke, living some where in Arkansas, beside her father and brother.

Home From Chicago.

Miss Dorothy Pierce arrived home Saturday night from Chicago, where she is attending Chicago university, and will spend the spring vacation week in Maryville with her parents, Mr. and Mrs. W. C. Pierce.

Announce Birth of Daughter.

Mr. and Mrs. Chester Bennett, 416 North Walnut street, announce the birth of a daughter, Virginia Katherine, Sunday morning, March 23. Mrs. Bennett was Miss Bernice Shipp.

GOOD PRICES RULE

STOCK SELLING WELL AT RECENT SALES IN COUNTY.

PAIR 2 YEAR OLDS \$625

One Pair of Mules Brought \$490 at Staples Sale and Calves Sold For \$37.50 at Sale of Vern Fakes.

The sales held in Nodaway county recently demonstrate that good live stock is in good demand at high prices. The sale of the Baughers, five miles southeast of Skidmore, in which eleven head of graded Clydesdales, from yearlings to 14-year-olds, sold at an average of \$204, is just one of the good sales held. In the lot a pair of unbroke 2-year-old fillies brought \$625, the top notch price on 2-year-olds in recent era of high prices. In this sale corn, hay and cattle sold at good strong prices.

The R. R. Staples, Sr., sale of live stock, grain, hay and implements was one of the large sales of the season, amounting to between \$11,000 and \$12,000. Mr. Staples is one of the large farmers in the west part of this county and the prices for his stock demonstrated that quality, combined with plenty of feed will make stock that will sell at good prices. A pair of mules at this sale brought \$490, another pair brought \$450. Yearling steers from \$44 to \$57.50 per head were received. Brood sows and stock hogs brought good strong prices. Three thousand bushels of corn measured in the crib brought 51 cents per bushel.

Another sale where quality combined with feed was the mule sale of Vern Fakes, three miles northwest of Pickering, where twenty-one head of mostly 2-year-old unbroke mules sold at an average of \$172.50. The highest priced pair brought \$467.50. Mr. Fakes is one of the largest mule dealers in Nodaway county and makes a specialty of the good ones, and this lot was a classy lot of youngsters. In the above sale, Oren Chambers, sold seventeen head of steer calves for \$33 per head, twenty-two steer calves at \$37.50 per head, seven Angus calves at \$37 per head, a pair of gray horses at \$397.50. This sale amounted to \$6,180, and was sold in less than one hour.

The above sales were conducted by R. P. Hosmer, the auctioneer.

SELECTED AT RAVENWOOD.

Mrs. Grace E. Kirkbride to Be in Charge of the Postoffice at Ravenwood.

Mrs. Grace E. Kirkbride has been selected as postmistress of the postoffice at Ravenwood, announcement of her appointment being made last week. As Ravenwood is a fourth class postoffice, a civil service examination was held about a month ago in Maryville, and all of the seven applicants passed the examination and received the required grade. In cases of this kind the selection is then made from those receiving the three highest grades, and the three were Mrs. Kirkbride, Prof. King and Leland Fryar.

Mrs. Kirkbride is to succeed J. A. Sawyer, who resigned, and she will take her office April 1. The office at Ravenwood pays about \$900 a year. Mrs. Kirkbride is the wife of John Kirkbride of Ravenwood and has been employed in the Ross department store of that town for the past eighteen months. Before that time she was a teacher in the Ravenwood school.

To the Citizens of Polk Township

Because of illness that prevents a personal interview with the voters of this township, I embrace this means to tender my sincere thanks for the loyal support given me at the primaries, which resulted in my nomination, and in this same letter I wish to say to the public that having been nominated, I now want to be elected. Under the present circumstances I fear that I will be unable to make any personal canvass, and hence must rely upon my friends to look after my affairs on the day of the election.

In my own behalf I can only say that if elected I will devote my whole time and attention to the duties of the office. I will treat everyone courteously and endeavor to conduct the affairs of the office in such manner that no one who has honored me with their support will have occasion to regret having voted for me, and I now appeal to the public, irrespective of party affiliations to give my candidacy such consideration as in their judgment it merits.

Trusting my candidacy may meet the approval of the citizens of this township, I submit my cause to them.

ELECTION TUESDAY

VARIOUS TOWNSHIPS TO SELECT THEIR OFFICERS.

THREE TICKETS ARE UP

In Jackson and Hughes Township—Democratic Ticket in Polk Will Win.

STATEMENT FROM FRANK BOLIN.

To My Friends and Supporters: At the primary convention held last Saturday, I was defeated for the nomination for collector by Felix Grundy. That it was a fair and honorable victory on his part there is no doubt. He won and in every act played the part of a gentleman. It is my earnest desire that each and every one of my friends and supporters go to the polls tomorrow and support him loyally. He is deserving of a big majority at the polls. As his health will not permit him to be at the election, all Democrats should see to it that his cause does not go by default.

Very truly,
FRANK BOLIN.

The township election in the various townships over the county will be held on Tuesday. A great deal of interest is being taken by these townships in these elections on account of more attention being paid to road work.

In Polk township, the Democrats have a very strong ticket and it is predicted that the ticket will win. The nominees are Cooper Gooden for trustee; Felix Grundy for collector; Ed F. Hamlin for assessor; Claud Campbell for constable; James Patterson and Tom Kane for members of township board; and W. L. Johnson, J. W. Morris, H. E. Wright, Amos Sprecher and Jake Melvin for justices of peace.

In two townships in the county, there are three tickets to be voted on. In Hughes and Jackson, they have a Democratic, a Republican and a Progressive ticket. In Jefferson township, they have a Democratic and an Independent ticket, and in Lincoln, they have a Democratic and a People's ticket.

Hughes Township.

As the Democratic ticket was published in Saturday's paper, we will give the Republican and Progressive ticket nominated Saturday at Graham. The Republican ticket follows: Walter Freytag, trustee; Clyde Long, collector; members of board, Fred Fox and Frank McNeal; justices of peace, Wesley Baker and Arthur Dougherty; Robert Noblet, assessor; and Petter Noblet, constable.

The Progressive ticket is: John Crawford, trustee; John Swank, collector; Wm. Crawford and Peter Maurer, justice of peace; members township board, Pierce Fleming and Clarence Leeper; W. T. Roach, constable; and D. B. Inman, assessor.

Monroe Township.

The Democratic ticket is composed of: R. F. Stults, trustee; Lee T. Teson, assessor; M. P. Horn, collector; Wm. Bodle, constable; J. R. Badger and A. C. Barber, members township board; George Manchester and John Mast, justice of peace.

The Republican ticket follows: S.

REGENTS TO MEET MONDAY.

Board to Hold a Meeting Here for Purpose of Organizing—William H. H. Haynes Declined.

A meeting of the board of regents of the Normal school will be held in Maryville on next Monday for the purpose of organizing the board.

William H. Haynes of St. Joseph, who was appointed recently by Governor Major on the board, has declined the position. The governor, it is said, will select a man to take Haynes' place, making the appointment this week.

The members of the board are W. A. Blagg of this city, W. G. Hine of Savannah, W. F. Rankin of Tarkio, State Superintendent Evans, J. D. O'Brien of St. Joseph and Leo M. Phipps of Grant City, who was recently appointed on the board by Governor Major.

RAISED THE SALARY.

Prosecuting Attorney in Nodaway to Receive \$2,000 After January 1, 1914.

The prosecuting attorney of Nodaway county after January 1, 1914, will receive a salary of \$2,000 a year, according to a bill that recently passed both houses at Jefferson City and was signed by Governor Major. The bill repeals sections 1905 and 1906 of the Revised Statutes of Missouri.

The new statute places the office of prosecuting attorney on the straight salary basis and provides that all fees shall go to the treasurer in the county in which they are elected.

The salary of the prosecuting attorney in the various counties is graduated and is based on population. Counties having a population of 25,000 and less than 30,000, \$2,000, and counties having 30,000 and less than 50,000, \$2,500.

The office of prosecuting attorney in this county has paid \$800 and fees.

A GREAT EASTER SUNDAY.

Closing of a Full Week at First M. E. Church Marked With Spirit of Rejoicing.

The Sunday services at the First M. E. church were a great climax to the Passion Week services held each night last week by the pastor, Rev. Gilbert S. Cox.

The Easter program was a fitting climax to the week of special services. The Sunday school, with the help of the orchestra and a ladies quartet, presented a well chosen and happy program. A most cheerful atmosphere pervaded the whole session. Three hundred and forty-eight were present and in classes, besides a great many who came to visit the school and enjoy the exercises.

An audience that overflowed the main audience room greeted both the morning and evening services. The "Risen King" was given in an impressive and worshipful manner by the choir. Its beautiful melodies, variety of expression and effective climactic arrangement make it a great work for the occasion.

Rev. Cox preached on the theme of the day, "Our Easter Faith." The sermon dealt with the devotional and practical aspect of the revelation of immortality.

The Epworth League arranged and presented an interesting program. Besides the special music a study of the teaching of Buddhism, Confucianism and Christianity was given by three speakers contrasting their teachings regarding immortality. The oratorio "The Holy City," as given by the choir Sunday evening was a decided success. When we consider the demands of a work of this character and how well they were met by the choir it is a compliment to the choir, and to Miss Lucile Alry, whose presence at the piano was a great aid to the faithful and efficient labor of Mr. Landon, organist and director. The solo parts were given with good effect by Mr. Lona Perrin, tenor; Miss May Corwin, soprano; Miss Nellie Wray, contralto and Rev. Gilbert S. Cox, baritone.

The choruses were sung with precision and a musical understanding. The attacks and phrasing, the ability to sing with appreciation the delicate passages as well as the more powerful revealed musicianship on the part of the chorus and care and painstaking by the director.

Many have expressed the desire to have this great work repeated in the near future, which request will be granted as soon as is possible.

Announce Birth of Son.

Dr. and Mrs. Charles T. Bell announce the birth of a seven-pound son, Charles Robinson Bell, on Sunday, March 23.

Clarence Merrigan and Gus King of Clyde came up to the city Saturday, the former to visit his family and the latter to visit his daughter, Mrs. John Gross. Both returned home Monday.

Justices of the peace—W. L. Johnson, J. W. Morris, H. E. Wright, Amos Sprecher and Jake Melvin.

Governor Major and the men elected with him pledged themselves to make the rule of the people an effective rule. They have thus far most admirably fulfilled that pledge. They have dismayed the politicians and the special interests whose chief reliance for their own plunder has been the cheapness and inefficiency of the people's government.—Kansas City Star.

The good name of the forty-seventh general assembly is secure. It has pitched its tent on Fame's eternal camping ground and will be held in grateful remembrance as the legislature that did most for roads and schools. And after all these are the two paramount issues with the people, the twin items of universal and absorbing interest. The road legislation and the rural high school legislation are decided steps in a forward movement for the betterment of conditions in Missouri. Better roads and better rural schools—that's what the forty-seventh general assembly stands for in a distinctive and progressive manner.

Returned From California.

Mr. and Mrs. W. R. Wells and daughters, Misses Marie and Kathleen Wells, returned Saturday night from a winter sojourn in Southern California. They visited every point of interest south of San Francisco, and took in thoroughly the orange groves and farming land, and are completely enamored with that country.

TORNADO IN OMAHA KILLS HUNDREDS

(Continued from Page 1)

Every home and every store in that part of the city was converted into a mortuary and hospital, while taxicabs and trucks moved back and forth from town carrying the victims to the hospitals and undertaking establishments. Most of the dead and injured in the immediate neighborhood of Twenty-fourth and Lake streets were taken to the Webster street telephone exchange, which being the strongest building in the locality, remarkably withstood the gale, though windows were blown out and small timbers blew in upon the 100 girls who sat valiantly at their stations.

A small room on the first floor was converted into an improvised hospital where doctors attended the injured as the rescuers brought them in. As soon as they died, and many of them did, they were carried to rooms on the second floor, where later they were removed to the morgues.

The Diamond motion picture theater at the northwest corner of Twenty-fourth and Lake streets was filled when the wind carrying heavy debris knocked it flat into the basement. Rescue work was carried on here for three or four hours and ten or fifteen men, women and children, dangerously injured, were extricated from the ruins. The remainder of the audience was covered by the bricks and inaccessible to the soldiers and firemen working there by the lights of dim lanterns.

The Idlewild pool hall, Twenty-fourth and Grant streets, contained about forty to fifty negroes when the wind struck about 6 o'clock. The two-story building was caved in and immediately after rescue work was stopped by the breaking out of fire.

Many Lives Saved by Chance.

Out of the thousands of personal experiences it would be impossible to single one out and say it was most thrilling, nor to say that any were not interesting. The number of narrow escapes and close calls are only to be measured by the list of those who were in the path of the storm and escaped without injury. These, in many instances, seemed to have been miraculously preserved from the death that was reaping so rich a harvest on all sides. Survivors told with dull tones of the escape that left them in the land of the living; some were hysterical, none seemed to more than grasp the fact that they had been spared.

Blazing Wires in Street.

Blazing live wires writhed in the streets in the stricken district. Numerous miraculous escapes from contact with them aroused little notice at the time. Large trees were torn up by the roots and numerous telegraph and telephone poles were down.

Whole sections of houses were blown down, and at the same time peculiar freaks some left standing unburned in the midst of surrounding ruin.

List of Known Killed.

Dead: William Fisher, Forty-sixth and Marcy; six dead in the vicinity of Thirtieth and Ames; Mabel McBride 4115 Farnam street; Nels Larson, 525 North thirty-sixth street; Mrs. Arthur Lavidge; baby Lavidge; T. Ralston Destroyed.

The town of Ralston was completely demolished by the storm.

Mrs. Kimball and her two children were visiting with Mr. and Mrs. Joseph Hamm. Mr. Hamm is the postmaster. They were all in the post office, with some others, when the structure was blown down, injuring all, together with Mr. and Mrs. Elbert Mead.

At Ralston the Howard stove works the automobile factory, the ice house at the lake, the postoffice, the bank the lumber yards and all the hotels were laid flat.

Six Killed Near Council Bluffs.

Six people are known to have been killed and many injured in the vicinity of Lake Manawa and along the Mosquito creek valley.

The first loss of life occurred on South avenue, near the Iowa school for the deaf. The fine suburban residence of Mr. and Mrs. J. R. Rice, at the Rice nursery, was demolished and Mr. and Mrs. Rice instantly killed. Nearby was the cottage of William Poole and it was also destroyed and Mrs. Poole was killed, while her aged husband was badly injured. The wreckage of the Rice home caught fire, but neighbors whose homes were outside of the stricken district hurried there and succeeded in getting them out before the fire had reached them. Both were dead.

The home of Mr. and Mrs. Schultz near the old Green packing house and on the Beno farm, was destroyed and both of the old people were killed. The residence of their son, a short distance away, was entirely destroyed with the exception of the floor.

Farther up the Mosquito creek valley was the house of August Norgaard, an engineer on the Chicago Great Western railroad, which was destroyed, and a little baby in the arms of the mother was instantly killed and the mother badly injured.

DOING THEIR DUTY.

In Linoleums

We can please you, both as to pattern and quality. You will have no sad experiences or regrets if you will buy your new linoleum from us. We carry only BLABONS quality both in inlaid and printed goods as we know they are the best that money can buy. Try one of our new patterns this spring and see if we are not right. You will be delighted with the soft pliable nature of this quality of linoleum, and we can assure you that this quality will not get hard and crack on your floor. The cracking allows the water to get under the linoleum and this rots the back off, consequently you have holes in your linoleum—this is prevented if you buy BLABONS quality. Let us show you our new patterns at 60c a square yard. In the 8-4 width we have it at 50c a square yard.

DON'T PULL OUT THE GRAY HAIRS

A Few Applications of a Simple Remedy Will Bring Back the Natural Color.

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance. It is Nature's call for help. Gray hair, dull, lifeless hair, or hair that is falling out, is not necessarily a sign of advancing age, for there are thousands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the hair seems to be lifeless or dead, some good, reliable hair-restoring treatment should be resorted to at once. Specialists say that one of the best preparations to use is the old-fashioned "sage tea" which our grandmothers used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It removes dry, parched hair, removes dandruff and gradually restores faded or falling hair to its natural color.

Delay another minute. Start using Wyeth's Sage and Sulphur at once and see what a difference a few days' treatment will make in your hair.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Agent Kock Pharmacy.

damage, distress and depression always caused by irregular bowel action—all these beneficial results from the use of Rexall Orderlies help dispel gloom, improve the spirits and add to the joy of living. Very often they ward off serious ills that frequently result from continued constipation.

Their Easy Action

Rexall Orderlies are a common-sense remedy for bowel disorders. Easy in action, they do not purge, gripe, nauseate or cause excessive looseness.

They tend to tone and strengthen the delicate intestinal nerves and muscles, promptly relieve constipation and help to overcome its cause and make its recurrence improbable. In these things they differ from old-fashioned, harsh, disagreeable physic, which usually gives only temporary relief and often leaves the bowels in worse condition than ever.

We particularly recommend Rexall Orderlies for delicate and aged persons and for children. In vest-pocket size tin boxes, 12 tablets, 10c; 50 tablets, 25c; 80 tablets, 50c. Usual dose one tablet.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores.

PENSIONS FOR PROFESSORS

Carnegie Foundation Expends \$334,939 During Year.

TEACHER PENSIONS DISCUSSED

President Pritchett Says Most of Bills Now Pending in Legislatures Violate Actual Conditions—Seventh Annual Report Made Public.

New York, March 24.—The seventh annual report of the president and treasurer of the Carnegie foundation for the advancement of teaching, which has just appeared, covers the year ended Sept. 30, 1912.

The endowment in the hands of the trustees at that time amounted to \$14,900,000, and the income for the year amounted to \$675,486, of which \$634,497 was expended. From its first pension payment in June, 1906, to the end of the fiscal year, Sept. 30, 1912, the foundation has distributed \$2,077,814 in retiring allowances to professors and \$236,590 in widows' pensions, a total of \$2,314,404. In all 429 retiring allowances and ninety widows' pensions have been granted, of which ninety-eight have terminated through death and twenty-three at the expiration of temporary grants, leaving 315 retiring allowances and eighty-three widows' pensions in force at the end of the year.

The first part of the report includes a careful statement of the whole question of pensions for teachers, for government employees, and for industrial employees. This statement contains the results of the examination of practically all of the pension systems now in operation anywhere, and leads finally to a discussion of a feasible pension system for the public school teachers of a state. This discussion is particularly needful at this time, since the question of teachers' pensions is a matter under consideration by a number of state legislatures. As the report points out, the bills which have been introduced in the various legislatures almost without exception violate fundamental actuarial conditions, and have been framed without study of the essential conditions, which must be fulfilled by any adequate pension system.

Contributory System. President Pritchett, in arguing finally for some form of contributory pension system for public school teachers, points out clearly the difficulties of the contributory system, the necessity for the most careful actuarial advice, and the public nature of the questions which are involved in a distribution of the cost of such a pension system between the state and the teacher.

The second part of the report is devoted to such subjects as the matter of college entrance requirements, admission to advanced standing, a statement of medical progress, university and college financial reporting, advertising as a factor in education, education and politics, and, finally, sham universities.

State Conventions. The section devoted to education and politics discusses not only the recent remarkable changes in the University of Oklahoma, the University of Kentucky and the University of Montana, but also deals with two other tendencies in political life, which are profoundly affecting education; first with the rivalry which comes from competing state institutions and, secondly, with the practice inaugurated almost wholly within the last ten years in states where there are no state universities, of subsidizing institutions that are under private control. In a number of states this process has gone on until it has enormously increased the number of privately controlled institutions which share in state appropriations. So marked has this tendency become that the question of state appropriation to education without state control is one which ought now to be frankly and squarely met.

STOMACH SORE! GOT INDIGESTION ALSO!

"Pape's Diapiesin" Makes Upset Stomach Feel Fine in Five Minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapiesin costs only fifty cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent tins, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapiesin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapiesin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too if you every try a little for indigestion or gastritis or any other stomach misery.

Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.—Advertisement.

LEGISLATURE ADJOURNED.

Quite a Bit of Work Left For the Clerks to Do.

(By William Job.)

Jefferson City, March 22.—The forty-seventh assembly has closed as far as law making is concerned. Just before adjournment in the senate the president of the senate, the president pro-tem and other officers were presented with some very nice mementos. The presentation speech of Senator Gardner of St. Louis, presenting a gold watch to President Pro-tem Wilson was as good as I ever heard on an occasion of this kind. Senator Wilson attempted to reply, but found it almost impossible to do so. He is always equal to any emergency in speech making and after a time he came forth with one of his brilliant, touching addresses in expressing his thanks to the donors for their kindly remembrance.

After singing, "God be With You Till We Meet Again," they adjourned. Only a few officials will be left over Monday to finish up. Miss Georgia Condon and I are held over with a few other clerks to finish up the clerical work and there will be no rest for us poor sinners now from 1 in the morning to 12 at night until this work is completed. I had hoped to be home Easter. The fact that three clerks from Senator Craig's district are held to finish up, is not a bad showing for the senator in selecting his clerks, a courtesy that no other senator is the forty-seventh assembly has been shown, and the fact that a greater percent of the bills introduced by Senator Craig have become laws than any other member of the senate is not a bad showing.

Governor Major has expressed himself as being satisfied with the work done by the assembly and I believe a good majority of the state are satisfied. I see no reason why they should complain. Those who believed in the promises made in the Democratic state platform have no reason to complain for they have been reduced.

AFTER FIVE YEARS.

Winthrop Child Was Restored to Health by Vinol.

"Five years ago our little girl had a severe attack of diphtheria which left her subject to bronchitis and stomach trouble. She has been almost constantly under medical treatment. I have also tried two or three remedies containing cod liver oil but found her stomach rebelled against the oil. Reading your description of Vinol I decided to try it and did so with most astonishing results. I cannot begin to tell you how she has improved because you do not know what a little sufferer she was for five years. She has gained ten pounds since she commenced to take Vinol, and the story of what Vinol has done for her is only half told in this letter." Mrs. Adelaide Mulloy, Winthrop, Mass.

Vinol contains all the healing curative properties of cod liver oil, without the oil and tonic iron added. That is why it helped this little girl after other remedies had failed.

We ask mothers of weak, sickly children to try Vinol on our offer to give back your money if it fails to help them.—Orean-Henry Drug Co., Maryville, Mo.—Advertisement.

With Miss Schumacher.

The Shakespeare department of the Twentieth Century club will meet Tuesday afternoon with Miss Lenore Schumacher, instead of with Mrs. D. J. Thomas.

Their Daughter's Engagement.

Mr. and Mrs. Gabe Purcell of Conception Junction announced the engagement of their daughter, Helen, to Mr. Clarence Edward Loriey of that place. The wedding will take place Sunday, April 6.

Gave Easter Dinner.

Mr. and Mrs. Frank Green entertained for Easter Sunday dinner Mr. S. S. Casteel and daughter, Miss Hazel Ritchie, Mr. and Mrs. George Wallace and two little daughters, Mr. and Mrs. Guy Mutz and son, Walter.

Home for Brother's Wedding.

Miss Kathryn Merrigan, who is engaged in teaching in a commercial school at Albert Lea, Minn., arrived in Clyde Saturday for a visit with her parents, Mr. and Mrs. William Merrigan, and also to attend the wedding of her brother, which is to occur soon at Conception Abbey church.

Elks Easter Dinner Dance.

The Elks will give their Easter dinner dance on Thursday evening. Dinner will be served in the basement of the club at 6:30 o'clock, and dancing will be at 9 o'clock. Music will be furnished by an orchestra. The committee in charge of the dance is composed of Louis DeHart, Lieber Holmes and H. L. Raines.

Recital Tonight.

The pupils' recital of the Maryville Conservatory will be held tonight at Recital hall, beginning promptly at 7:30. The program is:

Piano solos, Dorothy Snoderly, Margaret Remus, Helen Young, Ora LeGrande, Alpha Hinkle, Marie Reuillard, Eleanor Smith.

Vocal solo, Irene Kemp.

Sunday Dinner Guests.

Mr. and Mrs. J. L. Woodard and daughter, Miss Eula Woodard, entertained at 12 o'clock dinner Sunday. Their guests included Mr. and Mrs. Shubal Woodard and daughter, Flossie Maxine, and Mrs. Woodard's niece, Miss Dora Curl of Pittsburg, Kan., who has been visiting her for some time, and Miss Annie Ogden, living north of Maryville.

Surprised the Teacher.

The patrons and friends of the Snowball school, near Orsburg, surprised the teacher Friday, by gathering at noon time with a bountifully prepared dinner for all. After the feast a program of music and recitation was given by the pupils and a purse of \$5 was presented the teacher, Bert L. Grimmer, as an appreciation of his work with the pupils. Those present were Mr. and Mrs. Austin King and children, Mr. and Mrs. Bert Hantz and children, Mr. and Mrs. J. P. Scowden, Mr. and Mrs. Truman Young and daughter, Clyde Grimmer, Miss. Kate Grimmer, Miss Fannie Wilson, Mrs. John Sparks and children, Mrs. Will Hantz and children, Mrs. Ben Bosch and children, Mrs. Victor Wray and children, Mrs. John Koger and children, Mrs. Alva Sparks and son, Miss Gladys Montgomery, Ernest and Laura Gerrard, Howard Kinney, Glenn and Lane Ulmer.

Annual Easter Party.

Sixty little folks of the primary class of the First Christian church Bible school had a delightful time Saturday afternoon in the church parlors at their annual Easter party. There were a good many visitors present to see the children play the rhythm kindergarten games, do their marches, sing their songs and so on. All the children were between the ages of two and a half and five years. Those who assisted the teacher of the class, Miss Florence Young, in conducting the plays of the children were Mrs. Harry Todd, Mrs. Edward Hamlin, Mrs. W. W. Glass and Mrs. Henry Westfall. The little folks created much amusement for everyone, especially in playing "drop the handkerchief," and one of the circle games. After the games they all went fishing, and each fished out a beautiful Easter remembrance. Then all were served ice cream and rabbit cookies. Those serving were Mrs. G. B. Roseberry, Mrs. Arch K. Frank, Mrs. L. G. Crossan and Mrs. Jesse Fisher.

TORNADO IN OMAHA KILLS HUNDREDS---FIRE FOLLOWS IN STORM PATH

**Whirling Wind De-
molishes Houses.
TAKES TERRIBLE TOLL.**

**Twister Rips Broad Path Through
City's Best Home District.**

Omaha, March 24.—The most ap-
palling catastrophe in all Omaha's his-
tory befell the city just before sunset
on a beautiful Easter day. A tornado
swooped down on the city, coming
from the southwest and tearing a
path through to the north and east
from two to three blocks wide and
about four miles long.

This was through the best built
residence section of the city, and hun-
dreds of homes were smashed to pow-
der or broken into bits by the terror
of the air. Following the passage of
the wind, almost as swiftly as thought,
fire broke out, and in the twinkling
of an eye almost, homes of happy,
prosperous people were turned into
piles of blazing debris, from which
mained and crippled victims of the
storm god's wrath were dragged by
rescuers. Other hundreds were taken
out, dead.

It was some moments before the
surviving could realize the nature of
the terrible visitation, so quickly had
it befallen. Those who were not
caught in the course of the tornado,
watched with fascinated gaze the pas-
sage of its destructive power, but even
then seemed unable to grasp the fact
that awful devastation rode with the
wind. Firemen were first to realize
the condition that existed, for calls
from dozens of alarm boxes and from
many surviving telephones came piling
in in a confusion that was bewildering.
But soon the department was set at
its task, and the work of rescue was
under way.

Damage Beyond Understanding.
As minutes were into hours, the ter-
ror of the storm's work grew. Elec-
tric lights were out of commission,
telephones in the stricken section
were not working, streets were block-
aded by debris, and torrents of rain
poured to obscure the search. Careful
search was soon organized. The city
police department was taxed to
its utmost, and later the companies
of the Nebraska national guard sta-
tioned in Omaha were called into ser-
vice that aid might be given as quick-
ly and promptly as possible, and that
whatever of order might be restored
could be had.

So extensive and so complete is
the wreck, and so difficult the task of
getting the exact facts, that only
guesses can be made as to the extent
of the calamity. The loss of life will
mount well into the hundreds; the
number of injured will be still greater,
while the property loss will be millions.

Work of Rescue.
Hundreds on hundreds of volunteers
aided during the night in the search
for the victims of the wreck; sur-
geons worked for hours at the hospi-
tals, or in private homes where the
injured were taken, giving attention to
the sufferers. Through the dashing
rain and in the mud and slush, the
work of assistance was prosecuted.
Families that escaped with their lives
were taken into the homes of friends,
or made their way down to the hotel
district, there to seek shelter for the
night. It was many hours before the
homeless thousands were taken care
of, even temporarily.

Heavy Loss of Life at 24th and Lake.
From 200 to 500 men, women and
children in the vicinity of Twenty-
fourth and Lake streets were killed,
and an inestimable number of persons
were injured by the devastating wind
which was at its worst in that locality.

Street cars were blown from the
tracks and demolished while loaded
and on their way to and from town;
two and four-story brick buildings,
theaters and churches were razed,
residences stacked on top and littered
amongst each other, and telephone
poles, trees and debris strewn along
Twenty-fourth street and through the
neighborhood from Decatur to Locust
street.

At Locust street the wind seemed
to have raised, according to persons
living in the vicinity, and swirling
high blew direct northeast to the Mis-
souri river, scattering debris over the
territory as it passed over.

At Grant street, Twenty-fourth street
was blocked with the ruins north to
Ohio street, and from these ruins fire-
men, soldiers from Fort Omaha and
policemen, extricated the wounded and
some of the dying, taking them to the
(Continued on page 2.)

STORM DAMAGE HERE, TOO.

Many Barns, Sheds and Trees Blown
Down Over the County—Other
Damages.

The wind reached a velocity of fifty
miles or more an hour in Maryville
about 7:30 o'clock Sunday night, so it
is estimated by Weather Observer
Brink. It came abruptly and caused
much uneasiness, but little damage was
done.

An old barn of Mr. Lesley, in the
southeast part of town, was blown
down. Many limbs of trees were also
torn off.

At Flag Springs, a little village in
Andrew county, about thirteen miles
southeast of Guilford, six houses were
blown down, and three people were
killed about two miles west of that
town. They were Luther Armfield, his
wife and child.

The residence of Cornelius Craig, liv-
ing seven miles southwest of Maryville
and one mile east of the Rockford
church, suffered considerable injury.
The porch and a part of the roof were
taken off. The loss has not been esti-
mated by Mr. Craig.

Other farms in the vicinity suffered
the loss of blown down sheds and
trees. Dillard Palmer's peach orchard
was entirely ruined.

At Parnell the plate glass front at
J. A. Kaufman's store was blown in
and also the glass front in another
building there.

There was considerable damage over
the county, such as sheds, barns, trees
and so forth being blown down.

Wabash train No. 14, due in Mary-
ville Sunday night at 9:47 o'clock, did
not arrive until 3 o'clock this, Mon-
day, morning. The train was delayed
at Malvern, Ia., where several trees
were blown down over the track. At
Shenandoah quite a storm took place
and considerable damage was done.

Only a very little amount of damage
was done by the wind at the Normal
building. Three window glasses on the
south of the building were broken in,
but considering that there are 6,000
panes in the building, they got off
very lucky; and there's no place any-
where around in this vicinity where
the wind blows any harder than it does
out on Normal hill.

Many of the telephone wires in the
northwest part of the county are down
and no communication can be had with
several of the towns in that commu-
nity.

CONGRESSMAN BOOHER HERE.

Was in Maryville Monday and Was
Called On by Many Democrats.
Congressman Charles F. Booher of
Savannah was in the city Monday af-
ternoon and many Democrats seeking
appointments and others called on him.
Congressman Booher visited the new
postoffice building and was much im-
pressed with the beauty of the build-
ing. The credit for securing this
building for Maryville is largely due
to Congressman Booher's efforts.

DIED IN ST. JOSEPH.

Mrs. A. L. Duke, a Former Resident of
Arkoe, Died Sunday Evening
at 7:10 o'clock.

Mrs. Abraham L. Duke of St. Joseph,
for several years a resident of Arkoe,
died at her home in St. Joseph Sunday
evening at 7:10 o'clock. Mrs. Duke
was 45 years old.

The funeral arrangements have not
been made. The burial will take place
some time Tuesday in Miriam cemetery
in Maryville.

Mrs. Duke's maiden name was Florence
Allen. She was the daughter of
Henry Allen, who lives with his son,
Robert G. Allen of near Bedison. Mrs.
Duke also is survived by her husband,
a daughter, Miss Orrell Duke, and a
niece, Neva Fawber, who she reared as
her own child, and three sisters, Mrs.
Lou Kirk of St. Joseph, Mrs. Edward
Auffman of Beatrice, Neb., and Mrs.
Elma Icke, living some where in Ar-
kansas, beside her father and brother.

Home From Chicago.

Miss Dorothy Pierce arrived home
Saturday night from Chicago, where
she is attending Chicago university,
and will spend the spring vacation
week in Maryville with her parents,
Mr. and Mrs. W. C. Pierce.

Announce Birth of Daughter.

Mr. and Mrs. Chester Bennett, 416
North Walnut street, announce the
birth of a daughter, Virginia Katherine,
Sunday morning, March 23. Mrs. Ben-
nett was Miss Bernice Shipp.

GOOD PRICES RULE ELECTION TUESDAY

STOCK SELLING WELL AT RECENT
SALES IN COUNTY.

PAIR 2 YEAR OLDS \$625

One Pair of Mules Brought \$490 at
Staples Sale and Calves Sold For
\$37.50 at Sale of Vern Fakes.

The sales held in Nodaway county
recently demonstrate that good live
stock is in good demand at high prices.
The sale of the Baughers, five miles
southeast of Skidmore, in which eleven
head of graded Clydesdales, from year-
lings to 14-year-olds, sold at an aver-
age of \$204, is just one of the good
sales held. In the lot a pair of un-
broke 2-year-old fillies brought \$625,
the top notch price on 2-year-olds in
recent era of high prices. In this
sale corn, hay and cattle sold at good
strong prices.

The R. R. Staples, Sr., sale of live
stock, grain, hay and implements was
one of the large sales of the season,
amounting to between \$11,000 and
\$12,000. Mr. Staples is one of the
large farmers in the west
past of this county and the prices
for his stock demonstrated that
quality, combined with plenty of feed
will make stock that will sell at good
prices. A pair of mules at this sale
brought \$490, another pair brought
\$450. Yearling steers from \$44 to
\$57.50 per head were received. Brood
sows and stock hogs brought good
strong prices. Three thousand bushels
of corn measured in the crib brought
51 cents per bushel.

Another sale where quality combined
with feed was the mule sale of Vern
Fakes, three miles northwest of Pick-
ering, where twenty-one head of most-
ly 2-year-old unbroke mules sold at an
average of \$172.50. The highest priced
pair brought \$467.50. Mr. Fakes is
one of the largest mule dealers in Nod-
away county and makes a specialty of
the good ones, and this lot was a
classy lot of youngsters. In the above
sale, Oron Chambers sold seventeen
head of heifer calves for \$33 per head,
twenty-two steer calves at \$37.50 per
head, seven Angus calves at \$37 per
head, a pair of gray horses at \$397.50.
This sale amounted to \$6,180, and was
sold in less than one hour.

The above sales were conducted by
R. P. Hosmer, the auctioneer.

SELECTED AT RAVENWOOD.

Mrs. Grace E. Kirkbride to Be in
Charge of the Postoffice at
Ravenwood.

Mrs. Grace E. Kirkbride has been
selected as postmistress of the postof-
fice at Ravenwood, announcement of
her appointment being made last week.
As Ravenwood is a fourth class post-
office, a civil service examination was
held about a month ago in Maryville,
and all of the seven applicants passed
the examination and received the re-
quired grade. In cases of this kind the
selection is then made from those re-
ceiving the three highest grades, and
the three were Mrs. Kirkbride, Prof.
King and Leland Fryar.

Mrs. Kirkbride is to succeed J. A.
Sawyer, who resigned, and she will
take her office April 1. The office at
Ravenwood pays about \$900 a year.
Mrs. Kirkbride is the wife of John
Kirkbride of Ravenwood and has been
employed in the Ross department
store of that town for the past eight-
een months. Before that time she was
a teacher in the Ravenwood school.

To the Citizens of Polk Township

Because of illness that prevents a personal interview with
the voters of this township, I embrace this means to tender my sincere
thanks for the loyal support given me at the primaries, which resulted
in my nomination, and in this same letter I wish to say to the public
that having been nominated, I now want to be elected. Under the pres-
ent circumstances I fear that I will be unable to make any personal
cavass, and hence must rely upon my friends to look after my affairs
on the day of the election.

In my own behalf I can only say that if elected I will devote my
whole time and attention to the duties of the office. I will treat every-
one courteously and endeavor to conduct the affairs of the office in
such manner that no one who has honored me with their support will
have occasion to regret having voted for me, and I now appeal to the
public, irrespective of party affiliations to give my candidacy such
consideration as in their judgment it merits.

Trusting my candidacy may meet the approval of the citizens of
this township, I submit my cause to them.

Felix Grundy

STATEMENT FROM FRANK BOLIN.

To My Friends and Supporters:
At the primary convention held
last Saturday, I was defeated for
the nomination for collector by
Felix Grundy. That it was a
fair and honorable victory on his
part there is no doubt. He
won and in every act played the
part of a gentleman. It is my
earnest desire that each and
every one of my friends and
supporters go to the polls to-
morrow and support him loyally.
He is deserving of a big majority
at the polls. As his health will
not permit him to be at the elec-
tion, all Democrats should see
to it that his cause does not go
by default.

Very truly,
FRANK BOLIN.

The township election in the various
townships over the county will be held
on Tuesday. A great deal of interest
is being taken by these townships in
these elections on account of more at-
tention being paid to road work.

In Polk township, the Democrats
have a very strong ticket and it is
predicted that the ticket will win. The
nominees are Cooper Gooden for trustee;
Felix Grundy for collector; Ed
F. Hamlin for assessor; Claud Cam-
pbell for constable; James Patterson
and Tom Kane for members of
township board; and W. L. Johnson,
J. W. Morris, H. E. Wright, Amos
Sprecher and Jake Melvin for justices
of peace.

In two townships in the county,
there are three tickets to be voted on.
In Hughes and Jackson, they have a
Democratic, a Republican and a Pro-
gressive ticket. In Jefferson township,
they have a Democratic and an In-
dependent ticket, and in Lincoln, they
have a Democratic and a People's
ticket.

Hughes Township.

REGENTS TO MEET MONDAY.

Board to Hold a Meeting Here for Pur-
pose of Organizing—William H.
H. Haynes Declined.

A meeting of the board of regents of
the Normal school will be held in
Maryville on next Monday for the pur-
pose of organizing the board.

William H. Haynes of St. Joseph,
who was appointed recently by Gov-
ernor Major on the board, has declined
the position. The governor, it is said,
will select a man to take Haynes' place,
making the appointment this week.

The members of the board are W. A.
Blagg of this city, W. G. Hine of Sa-
vannah, W. F. Rankin of Tarkio, State
Superintendent Evans, J. D. O'Brien
of St. Joseph and Leo M. Phipps of
Grant City, who was recently appoint-
ed on the board by Governor Major.

RAISED THE SALARY.

Prosecuting Attorney in Nodaway to
Receive \$2,000 After Janu-
ary 1, 1914.

The prosecuting attorney of Noda-
way county after January 1, 1914, will
receive a salary of \$2,000 a year, ac-
cording to a bill that recently passed
both houses at Jefferson City and was
signed by Governor Major. The bill re-
peals sections 1005 and 1006 of the Re-
vised Statutes of Missouri.

The new statute places the office of
prosecuting attorney on the straight
salary basis and provides that all fees
shall go to the treasurer in the county
in which they are elected.

The salary of the prosecuting attor-
ney in the various counties is gradu-
ated and is based on population. Coun-
ties having a population of 25,000 and
less than 30,000, \$2,000, and counties
having 30,000 and less than 50,000,
\$2,500.

The office of prosecuting attorney in
this county has paid \$800 and fees.

A GREAT EASTER SUNDAY.

Closing of a Full Week at First M. E.
Church Marked With Spirit of
Rejoicing.

The Sunday services at the First M.
E. church were a great climax to the
Passion Week services held each night
last week by the pastor, Rev. Gilbert S.
Cox.

The Easter program was a fitting
climax to the week of special ser-
vices. The Sunday school, with the help
of the orchestra and a ladies quartet, pre-
sented a well chosen and happy pro-
gram. A most cheerful atmosphere
pervaded the whole session. Three
hundred and forty-eight were present
and in classes, besides a great many
who came to visit the school and enjoy
the exercises.

An audience that overflowed the
main audience room greeted both the
morning and evening services. The
"Risen King" was given in an impres-
sive and worshipful manner by the
choir. Its beautiful melodies, variety
of expression and effective climactic
arrangement make it a great work for
the occasion.

Rev. Cox preached on the theme of
the day, "Our Easter Faith." The ser-
mon dealt with the devotional and
practical aspect of the revelation of im-
mortality.

The Epworth League arranged and
presented an interesting program. Be-
sides the special music a study of the
teaching of Buddhism, Confucianism
and Christianity was given by three
speakers contrasting their teachings
regarding immortality. The oratorio
"The Holy City," as given by the choir
Sunday evening was a decided success.
When we consider the demands of a
work of this character and how well
they were met by the choir it is a com-
pliment to the choir, and to Miss Lu-
cile Airy, whose presence at the piano
was a great aid to the faithful and ef-
ficient labor of Mr. Landon, organist
and director. The solo parts were given
with good effect by Mr. Lena Perrin,
soprano; Miss May Corwin, soprano; Miss
Nellie Wray, contralto and Rev. Gil-
bert S. Cox, baritone.

The choruses were sung with pre-
cision and a musical understanding.
The attacks and phrasing, the ability
to sing with appreciation the delicate
passages as well as the more powerful
revealed musicianship on the part of
the chorus and care and painstaking
by the director.

Many have expressed the desire to
have this great work repeated in the
near future, which request will be
granted as soon as is possible.

Announce Birth of Son.

Dr. and Mrs. Charles T. Bell an-
nounce the birth of a seven-pound son,
Charles Robinson Bell, on Sunday,

Justices of the peace—W. L. Johnson, J. W. Morris, H. E. Wright, Amos Sprecher and Jake Melvin.

Governor Major and the men elected with him pledged themselves to make the rule of the people an effective rule. They have thus far most admirably fulfilled that pledge. They have dismayed the politicians and the special interests whose chief reliance for their own plunder has been the cheapness and inefficiency of the people's government.—Kansas City Star.

The good name of the forty-seventh general assembly is secure. It has pitched its tent on Fame's eternal camping ground and will be held in grateful remembrance as the legislature that did most for roads and schools. And after all these are the two paramount issues with the people, the twin items of universal and absorbing interest. The road legislation and the rural high school legislation are decided steps in a forward movement for the betterment of conditions in Missouri. Better roads and better rural schools—that's what the forty-seventh general assembly stands for in a distinctive and progressive manner.

Returned From California.

Mr. and Mrs. W. R. Wells and daughters, Misses Marie and Kathleen Wells, returned Saturday night from a winter sojourn in Southern California. They visited every point of interest south of San Francisco, and took in thoroughly the orange groves and farming land, and are completely enamored with that country.

TORNADO IN OMAHA KILLS HUNDREDS

(Continued from Page 1)

nearest residences and stores.

Every home and every store in that part of the city was converted into a mortuary and hospital, while taxicabs and trucks moved back and forth from town carrying the victims to the hospitals and undertaking establishments.

Most of the dead and injured in the immediate neighborhood of Twenty-fourth and Lake streets were taken to the Webster street telephone exchange, which being the strongest building in the locality, remarkably withstood the gale, though windows were blown out and small timbers blew in upon the 100 girls who sat valiantly at their stations.

A small room on the first floor was converted into an improvised hospital where doctors brought them in. As soon as they died, and many of them did, they were carried to rooms on the second floor, where later they were removed to the morgues.

The Diamond motion picture theater at the northwest corner of Twenty-fourth and Lake streets was filled when the wind carrying heavy debris knocked it flat into the basement. Rescue work was carried on here for three or four hours and ten or fifteen men, women and children, dangerously injured, were extricated from the ruins. The remainder of the audience was covered by the bricks and inaccessible to the soldiers and firemen working there by the lights of dim lanterns.

The Idlewild pool hall, Twenty-fourth and Grant streets, contained about forty to fifty negroes when the wind struck about 6 o'clock. The two-story building was caved in and immediately after rescue work was stopped by the breaking out of fire.

Many Lives Saved by Chance.

Out of the thousands of personal experiences it would be impossible to single one out and say it was most thrilling, nor to say that any were not interesting. The number of narrow escapes and close calls are only to be measured by the list of those who were in the path of the storm and escaped without injury. These, in many instances, seemed to have been miraculously preserved from the death that was reaping so rich a harvest on all sides. Survivors told with dull tones of the escape that left them in the land of the living; some were hysterical, none seemed to more than grasp the fact that they had been spared.

Blazing Wires in Street.

Blazing live wires writhed in the streets in the stricken district. Numerous miraculous escapes from contact with them aroused little notice at the time. Large trees were torn up by the roots and numerous telegraph and telephone poles were down.

Whole sections of houses were blown down and at the same time by peculiar freaks some left standing unharmed in the midst of surrounding ruin.

Six Killed Near Council Bluffs.

Six people are known to have been killed and many injured in the vicinity of Lake Manawa and along the Mosquito creek valley.

The first loss of life occurred on South avenue, near the Iowa school for the deaf. The fine suburban residence of Mr. and Mrs. J. R. Rice, at the Rice nursery, was demolished and Mr. and Mrs. Rice instantly killed. Nearby was the cottage of William Poole and it was also destroyed and Mrs. Poole was killed, while her aged husband was badly injured. The wreckage on the Rice home caught fire, but neighbors whose homes were outside of the stricken district hurried there and succeeded in getting them out before the fire had reached them. Both were dead.

The home of Mr. and Mrs. Schultz near the old Green packing houses and on the Reno farm, was destroyed and both of the old people were killed. The residence of their son, a short distance away, was entirely destroyed with the exception of the floor.

Farther up the Mosquito creek valley was the house of August Norgaard, an engineer on the Chicago Great Western railroad, which was destroyed, and a little baby in the arms of the mother was instantly killed and the mother badly injured.

DOING THEIR DUTY.

Scores of Maryville Readers Are Learning the Duty of the Kidneys.

To filter the blood is the kidneys' duty.

When they fail to do this the kidneys are weak.

Backache and other kidney ills may follow.

Help the kidneys do their work.

Use Doan's Kidney Pills—the tested kidney remedy.

Maryville people endorse their worth.

Miss Harriet McClurg, 405 East Thompson street, Maryville, Mo., says: "I do not know what I would have done without Doan's Kidney Pills. They have worked wonders in my case, and I am pleased to verify my former public endorsement of them. I was troubled by pain and weakness in my back and hips and I could hardly get around. Doan's Kidney Pills stopped the trouble as soon as I used them and strengthened my kidneys. I am only too glad to recommend this remedy."

In Linoleums

We can please you both as to pattern and quality. You will have no sad experiences or regrets if you will buy your new linoleum from us. We carry only BLABONS quality both in inlaid and printed goods as we know they are the best that money can buy. Try one of our new patterns this spring and see if we are not right. You will be delighted with the soft pliable nature of this quality of linoleum, and we can assure you that this quality will not get hard and crack on your floor. The cracking allows the water to get under the linoleum and this rots the back off, consequently you have holes in your linoleum—this is prevented if you buy BLABONS quality. Let us show you our new patterns at 60c a square yard. In the 8-4 width we have it at 50c a square yard.

Rexall Orderlies

taste just like candy. They act easy. They cause no inconvenience whatever. Our faith in them is backed by knowledge of what they are made of and observation of severe cases of constipation and other forms of bowel troubles in which they gave prompt and pleasant relief.

Don't take our word—make us prove it. Use Rexall Orderlies, and if you don't feel like coming back to thank us for telling you about them, then come back and we will return the money you paid us for them. We won't obligate you in any way whatever. Merely ask and back goes your money to you.

Make You Feel Great

That's what Rexall Orderlies do, because the thorough cleansing they give the bowels—their toning and strengthening effect upon the bowels—the influence they exert toward promoting prompt, easy and regular action of the bowels, thus freeing the system and keeping it free from the

damage, distress and depression always caused by irregular bowel action—all these beneficial results from the use of Rexall Orderlies help dispel gloom, improve the spirits and add to the joy of living. Very often they ward off serious ills that frequently result from continued constipation.

Their Easy Action

Rexall Orderlies are a common-sense remedy for bowel disorders. Easy in action, they do not purge, gripe, nauseate or cause excessive looseness.

They tend to tone and strengthen the delicate intestinal nerves and muscles, promptly relieve constipation and help to overcome its cause and make its recurrence improbable. In these things they differ from old-fashioned, harsh, disagreeable physic, which usually gives only temporary relief and often leaves the bowels in worse condition than ever.

We particularly recommend Rexall Orderlies for delicate and aged persons and for children. In cost: 36 tablets, 25c; 80 tablets, 50c. Usual dose one tablet.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores.

The good women mustn't get so everlastingly interested in handing down the privilege of equal suffrage to posterity that they fail to provide that self-same posterity.

Young men who spend too much time wondering if they can afford to get married, probably can't.

Old Tom Nutt says that he is afraid if the women get the vote his wife will neglect the wash tub to talk politics, and he'll be burned if he can see how they are to live if they both take to that sort of thing.

All the divorces in the world are not enough to make a single contented couple believe that marriage is a failure. —Joe Bowers in Missouri Ruralist.

To the Voters of Polk Township

As a candidate for the office of Assessor for Polk township I most respectfully solicit your vote for me for that office on Tuesday, the 25th day of March. I have been a resident of Nodaway county for the past seventeen years, part of this time living on a farm north of Maryville, and part of the time in the city. I am quite well acquainted with the people living in this township, and also have a good knowledge of the values of property in this township. I will give this office, in case I am elected, my own personal attention, and will endeavor to the very best of my ability to treat everybody fairly and without partiality. Thanking you for your favorable consideration, I remain, Yours very truly,

DON'T PULL OUT THE GRAY HAIRS

A Few Applications of a Simple Remedy Will Bring Back the Natural Color.

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance. It is Nature's call for help. Gray hair, dull, lifeless hair, or hair that is falling out, is not necessarily a sign of advancing age, for there are thousands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the hair seems to be lifeless or dead, some good, reliable hair-restoring treatment should be resorted to at once. Specialists say that one of the best preparations to use is the old-fashioned "sage tea" which our grandparents used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It removes dry, parched hair, removes dandruff and gradually restores faded, lifeless hair to its natural color.

Don't delay another minute. Start using Wyeth's Sage and Sulphur at once and see what a difference a few days' treatment will make in your hair.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Agent Kock Pharmacy.

PENSIONS FOR PROFESSORS

Carnegie Foundation Expends \$334,939 During Year.

TEACHER PENSIONS DISCUSSED

President Pritchett Says Most of Bills Now Pending in Legislatures Violate Actual Conditions—Seventh Annual Report Made Public.

New York, March 24.—The seventh annual report of the president and treasurer of the Carnegie foundation for the advancement of teaching, which has just appeared, covers the year ended Sept. 30, 1912.

The endowment in the hands of the trustees at that time amounted to \$14,000,000, and the income for the year amounted to \$675,486, of which \$634,497 was expended. From its first pension payment in June, 1906, to the end of the fiscal year, Sept. 30, 1912, the foundation has distributed \$2,077,814 in retiring allowances to professors and \$236,590 in widows' pensions, a total of \$2,314,404. In all 429 retiring allowances and ninety widows' pensions have been granted, of which ninety-eight have terminated through death and twenty-three at the expiration of temporary grants, leaving 315 retiring allowances and eighty-three widows' pensions in force at the end of the year.

The first part of the report includes a careful statement of the whole question of pensions for teachers, for government employees, and for industrial employees. This statement contains the results of the examination of practically all of the pension systems now in operation anywhere, and leads finally to a discussion of a feasible pension system for the public school teachers of a state. This discussion is particularly needful at this time, since the question of teachers' pensions is a matter under consideration by a number of state legislatures. As the report points out, the bills which have been introduced in the various legislatures almost without exception violate fundamental actuarial conditions, and have been framed without study of the essential conditions, which must be fulfilled by any adequate pension system.

Contributory System. President Pritchett, in arguing finally for some form of contributory pension system for public school teachers, points out clearly the difficulties of the contributory system, the necessity for the most careful actuarial advice, and the public nature of the questions which are involved in a distribution of the cost of such a pension system between the state and the teacher.

The second part of the report is devoted to such subjects as the matter of college entrance requirements, admission to advanced standing, a statement of medical progress, university and college financial reporting, advertising as a factor in education, education and politics, and, finally, shanty universities.

State Conventions. The section devoted to education and politics discusses not only the recent remarkable changes in the University of Oklahoma, the University of Kentucky and the University of Montana, but also deals with two other tendencies in political life, which are profoundly affecting education; first with the rivalry which comes from competing state institutions and, secondly, with the practice inaugurated almost wholly within the last ten years in states where there are no state universities, of subsidizing institutions that are under private control. In a number of states this process has gone on until it has enormously increased the number of privately controlled institutions which share in state appropriations. So marked has this tendency become that the question of state appropriation to education without state control is one which ought now to be frankly and squarely met.

Case of E. S. Horn, Arizona Mine Promoter, Is Closed.

Kansas City, March 24.—The case of E. S. Horn, whose sentence of a year and a day in the federal prison for use of the mails in connection with the promotion of an Arizona mine was commuted by President Taft a few days before his retirement, was closed when Horn's attorneys paid his fine of \$500 and costs, aggregating nearly \$1,500.

Horn is said to be in Quebec, whither he went after his sentence, while under appeal bond of \$10,000.

STOMACH SOUR! GOT INDIGESTION ALSO!

"Pape's Diapepsin" Makes Upset Stomachs Feel Fine in Five Minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapepsin costs only fifty cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too if you every try a little for indigestion or gastritis or any other stomach misery.

Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.—Advertisement.

LEGISLATURE ADJOURNED.

Quite a Bit of Work Left For the Clerks to Do.

(By William Job.)

Jefferson City, March 22.—The forty-seventh assembly has closed as far as law making is concerned. Just before adjournment in the senate the president of the senate, the president pro-tem and other officers were presented with some very nice mementos. The presentation speech of Senator Gardner of St. Louis, presenting a gold watch to President Pro-tem Wilson was as good as I ever heard on an occasion of this kind. Senator Wilson attempted to reply, but found it almost impossible to do so. He is always equal to any emergency in speech making and after a time he came forth with one of his brilliant, touching addresses in expressing his thanks to the donors for their kindly remembrance.

After singing, "God be With You Till We Meet Again," they adjourned. Only a few officials will be left over Monday to finish up. Miss Georgia Condon and I are held over with a few other clerks to finish up the clerical work and there will be no rest for us poor sinners now from 1 in the morning to 12 at night until this work is completed. I had hoped to be home Easter. The fact that three clerks from Senator Craig's district are held to finish up, is not a bad showing for the senator in selecting his clerks, a courtesy that no other senator is the forty-seventh assembly has been shown, and the fact that a greater percent of the bills introduced by Senator Craig have become laws than any other member of the senate is not a bad showing.

Governor Major has expressed himself as being satisfied with the work done by the assembly and I believe a good majority of the state are satisfied. I see no reason why they should complain. Those who believed in the promises made in the Democratic state platform have no reason to complain for they have been reduced.

AFTER FIVE YEARS.

Winthrop Child Was Restored to Health by Vinol.

"Five years ago our little girl had a severe attack of diphtheria which left her subject to bronchitis and stomach trouble. She has been almost constantly under medical treatment. I have also tried two or three remedies containing cod liver oil but found her stomach rebelled against the oil. Reading your description of Vinol I decided to try it and did so with most astonishing results. I cannot begin to tell you how she has improved because you do not know what a little sufferer she was for five years. She has gained ten pounds since she commenced to take Vinol, and the story of what Vinol has done for her is only half told in this letter." Mrs. Adelaide Mulloy, Winthrop, Mass.

Vinol contains all the healing curative properties of cod liver oil, without the oil and tonic iron added. That is why it helped this little girl after other remedies had failed.

We ask mothers of weak, sickly children to try Vinol on our offer to give back your money if it fails to help them.—Orean-Henry Drug Co., Maryville, Mo.—Advertisement.

Annual Easter Party.

Sixty little folks of the primary class of the First Christian church Bible school had a delightful time Saturday afternoon in the church parlors at their annual Easter party. There were a good many visitors present to see the children play the rhythm kindergarten games, do their marches, sing their songs and so on. All the children were between the ages of two and a half and five years. Those who assisted the teacher of the class, Miss Florence Young, in conducting the plays of the children were Mrs. Harry Todd, Mrs. Edward Hamlin, Mrs. W. W. Glass and Mrs. Henry Westfall. The little folks created much amusement for everyone, especially in playing "drop the handkerchief," and one of the circle games. After the games they all went fishing, and each fished out a beautiful Easter remembrance. Then all were served ice cream and rabbit cookies. Those serving were Mrs. G. B. Roseberry, Mrs. Arch K. Frank, Mrs. L. G. Crossan and Mrs. Jesse Fisher.

EVANGELISTIC SERVICES.

Rev. G. H. Zent as Evangelist to Conduct Services at First M. E. Church.

Rev. George H. Zent of the Huffman Memorial Methodist church of St. Joseph will come to Maryville Tuesday to conduct a two weeks' evangelistic services at the First M. E. church. Services will be held each evening at 7:30 o'clock, with the exception of Saturday evenings, commencing on Tuesday evening.

Rev. Zent is about 35 years old and is a graduate of Missouri Wesleyan

college at Cameron and the Boston university. He was a classmate of Rev. Gilbert S. Cox, pastor of the Methodist church here, at the Boston school, the two graduating together.

Rev. Cox and Rev. Zent have been together in four successful meetings. Rev. Zent is one of the strongest preachers of this conference.
